

February 2017

Dear Customers

Impact Wrench NWH-320A changed to NWH-320B

Here we inform you that NWH-320A have changed to NWH-320B.

1. Product: Impact Wrench
2. New models Impact Wrench NWH-320B
Code: 25850
3. Changes:
 - a) The handle is wider allowing the operator to hold the tool better.
 - b) Power adjuster changed to the opposite side, now on the side where the NWH-320A is marked on its rotor case.
4. The new tools will be delivered from February 2017.

No change in the tool specifications.
